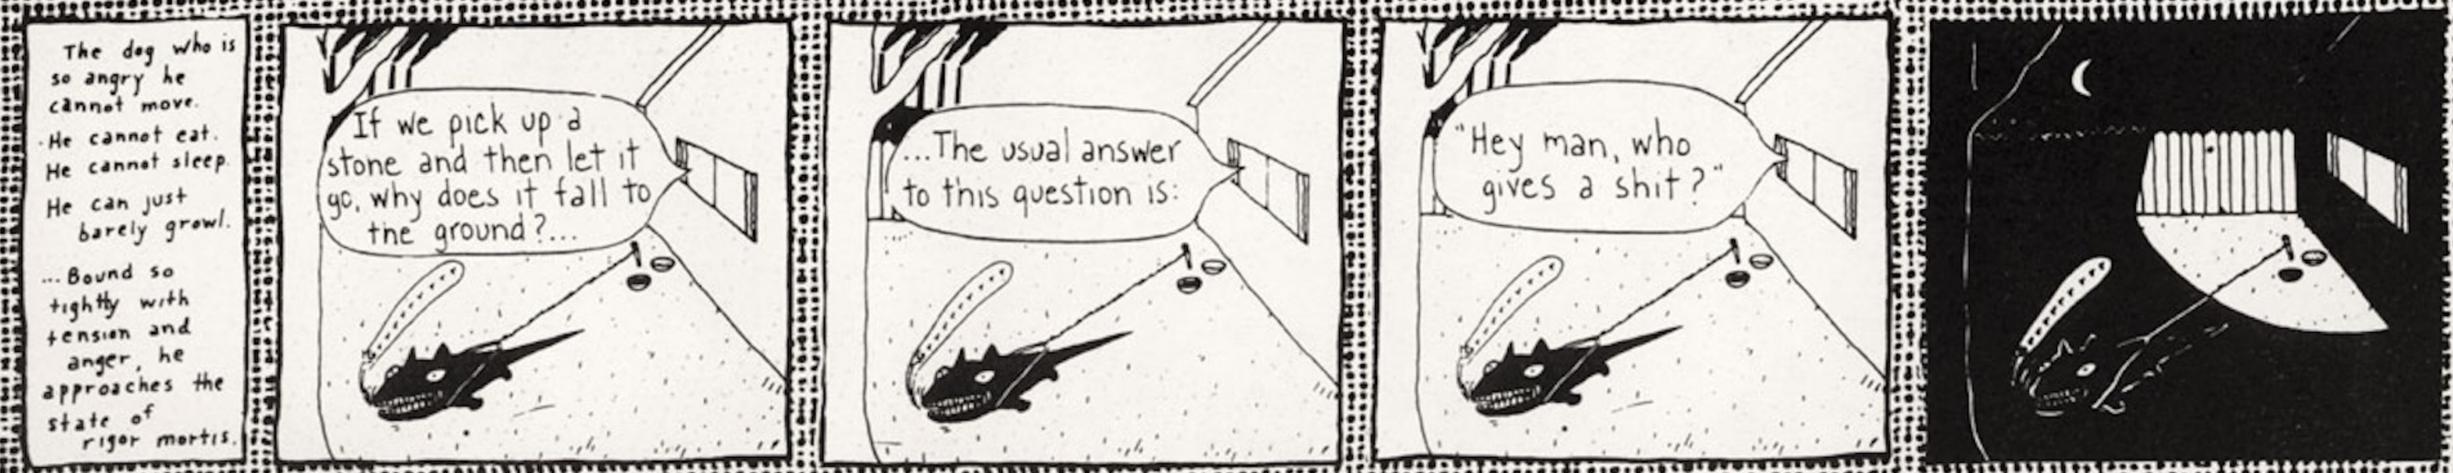
The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep.
He can just barely growl.
...Bound so tightly with tension and anger, he approaches the state of rigor mortis.
Bill... Suddenly, for me, the idea of a straight line has lost its meaning.

THE ANGRIEST DOG IN THE WORLD

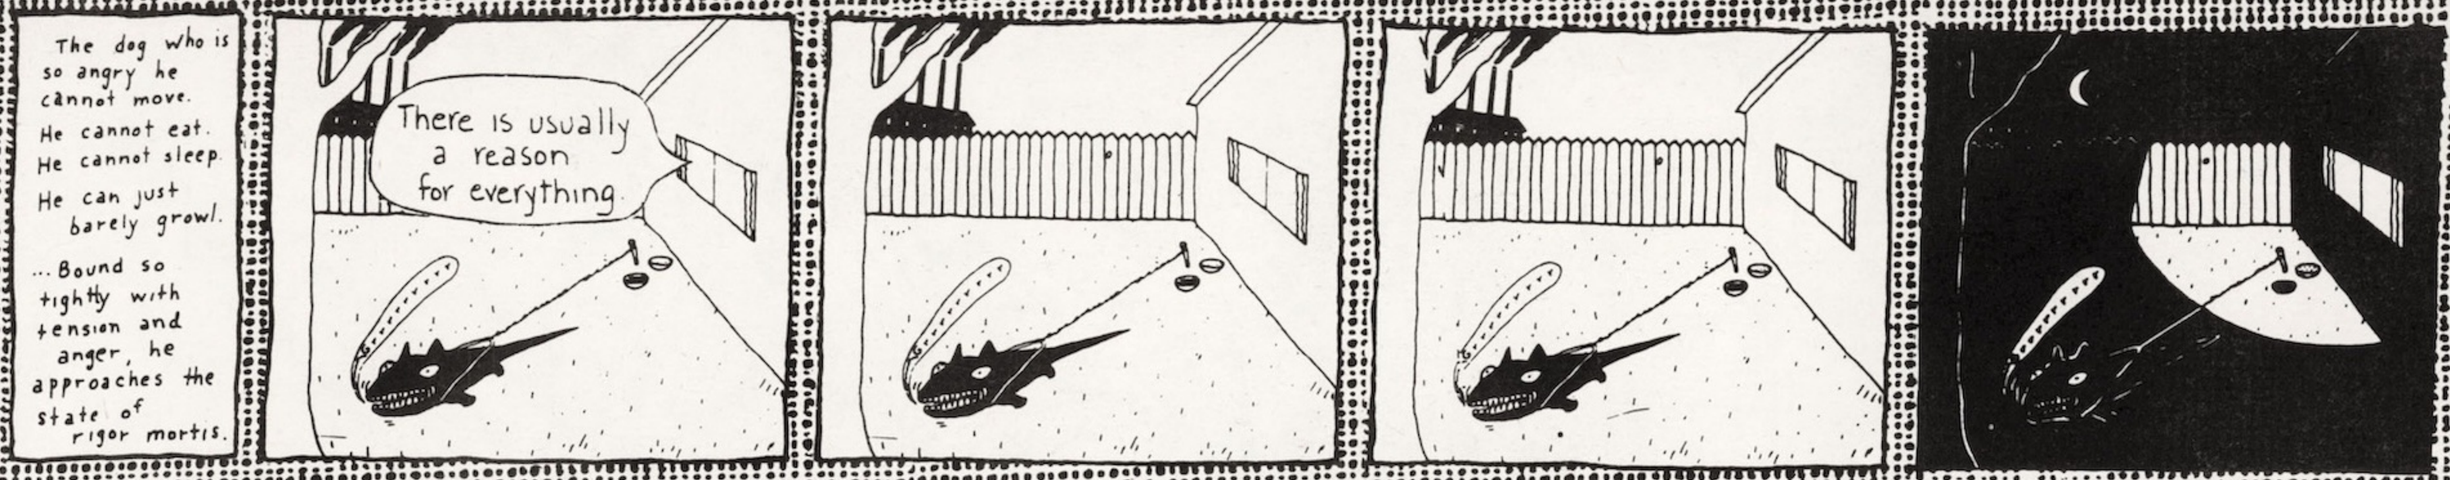
By DAVID LYNCH © 1991



The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep.
He can just barely growl.
...Bound so tightly with tension and anger, he approaches the state of rigor mortis.
If we pick up a stone and then let it go, why does it fall to the ground?...
...The usual answer to this question is:
"Hey man, who gives a shit?"

THE ANGRIEST DOG IN THE WORLD

By DAVID LYNCH © 1991



The dog who is so angry he cannot move.
He cannot eat.
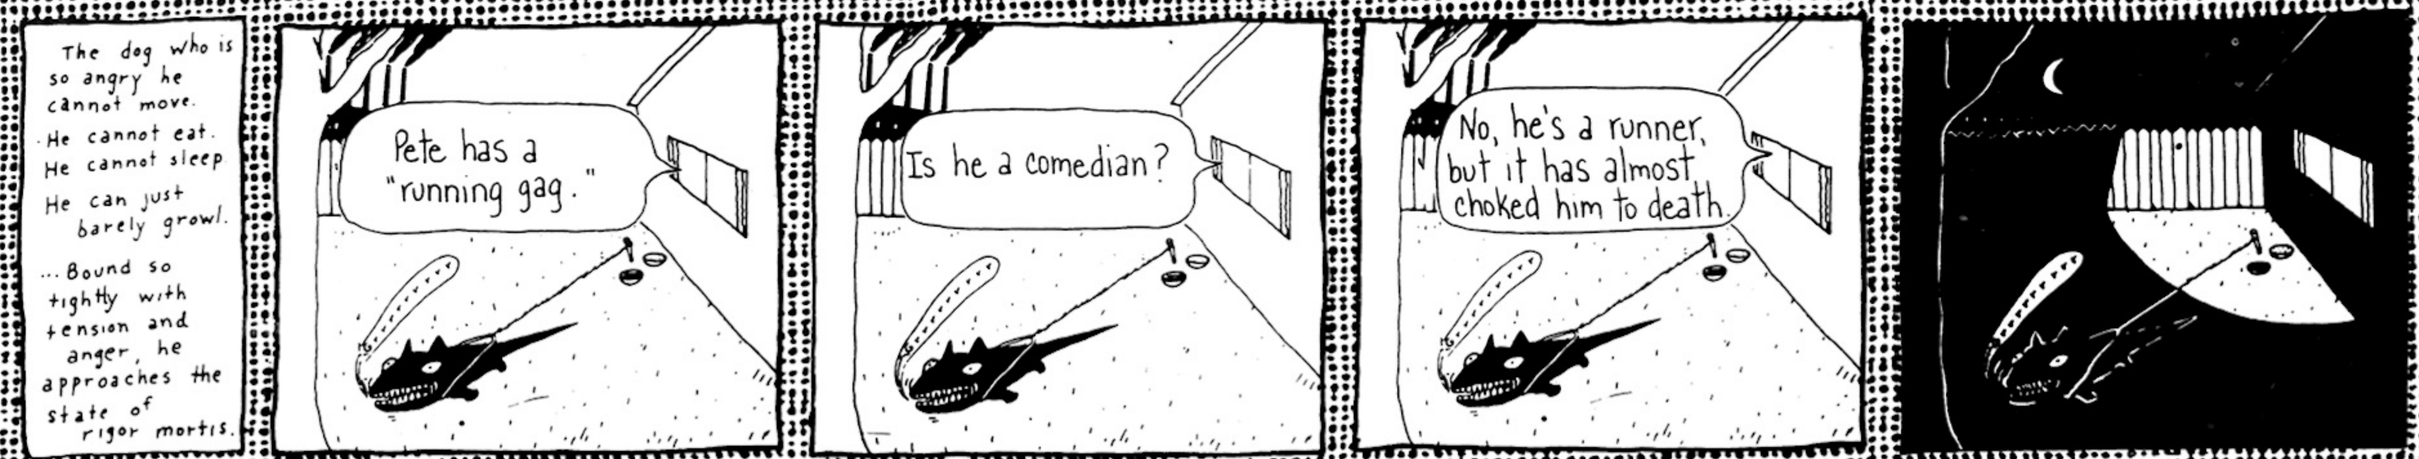
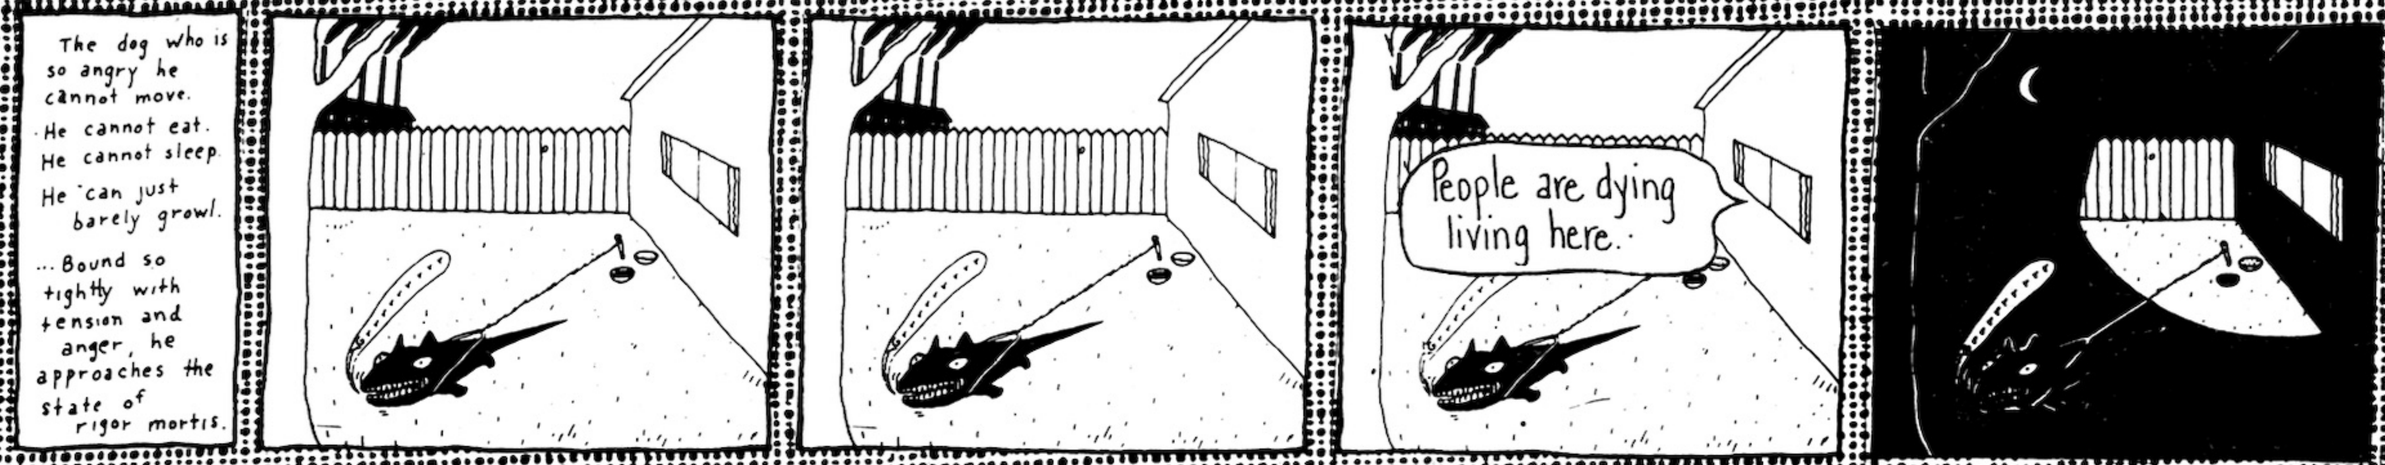
He cannot sleep
He can just barely growl.
...Bound so tightly with tension and anger, he approaches the state of rigor mortis.
If everything is real... then nothing is real as well.



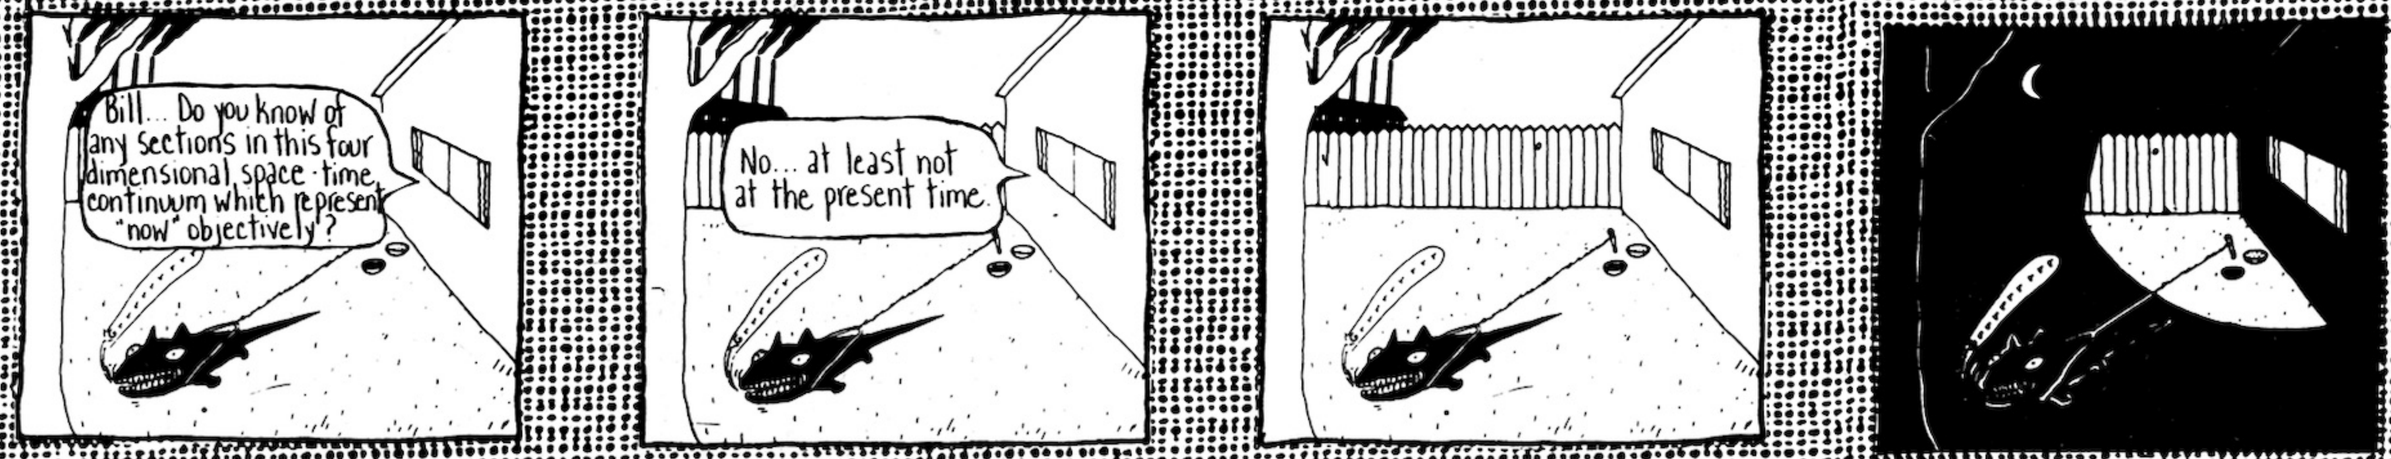
The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep
He can just barely growl.
...Bound so tightly with tension and anger, he approaches the state of rigor mortis.
Pete has a "running gag."
Is he a comedian?
No, he's a runner, but it has almost choked him to death.



The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep.
He can just barely growl.
...Bound so tightly with tension and anger, he approaches the state of rigor mortis.
People are dying living here.

THE ANGRIEST DOG IN THE WORLD

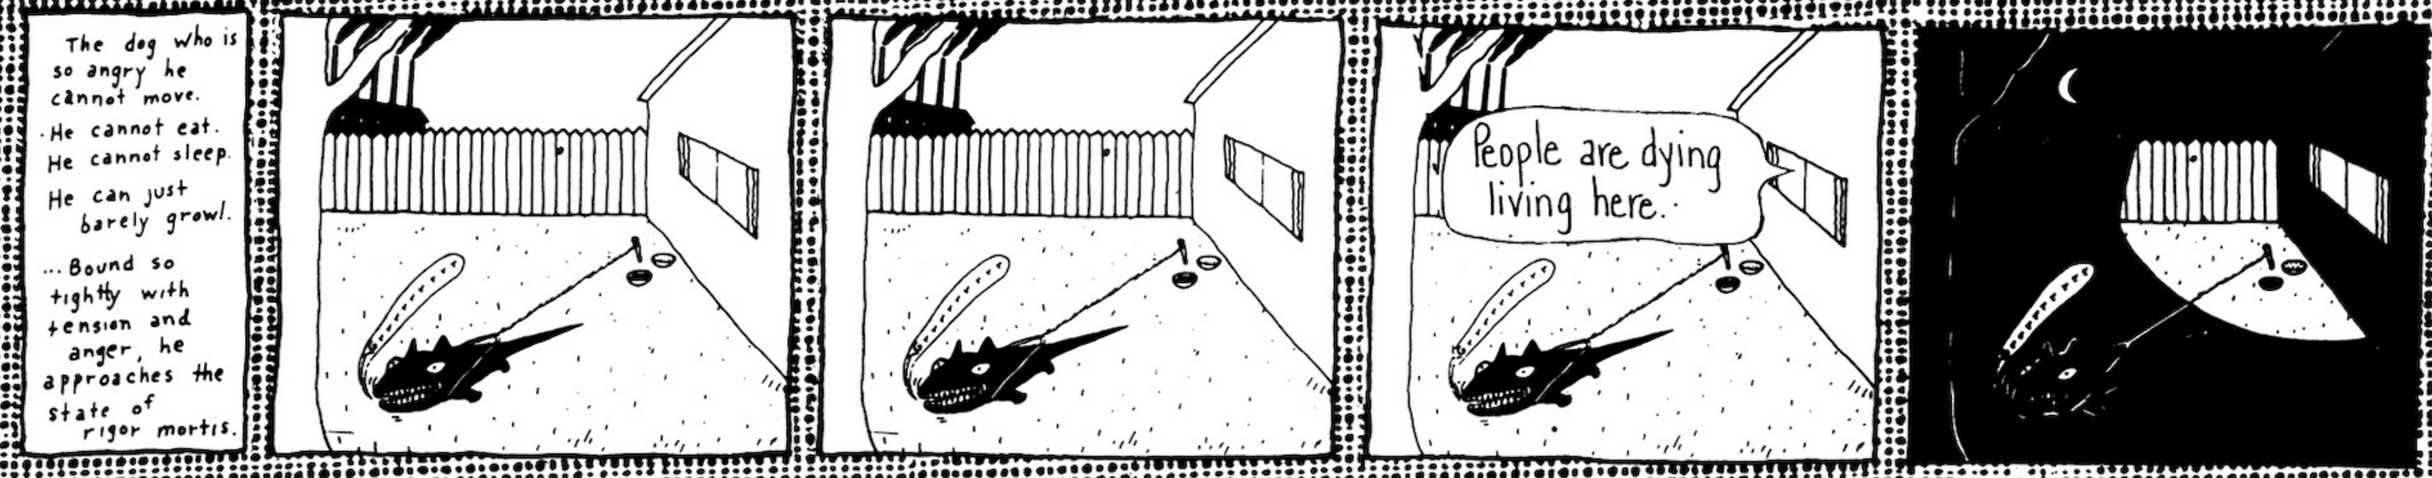
By DAVID LYNCH © 1991



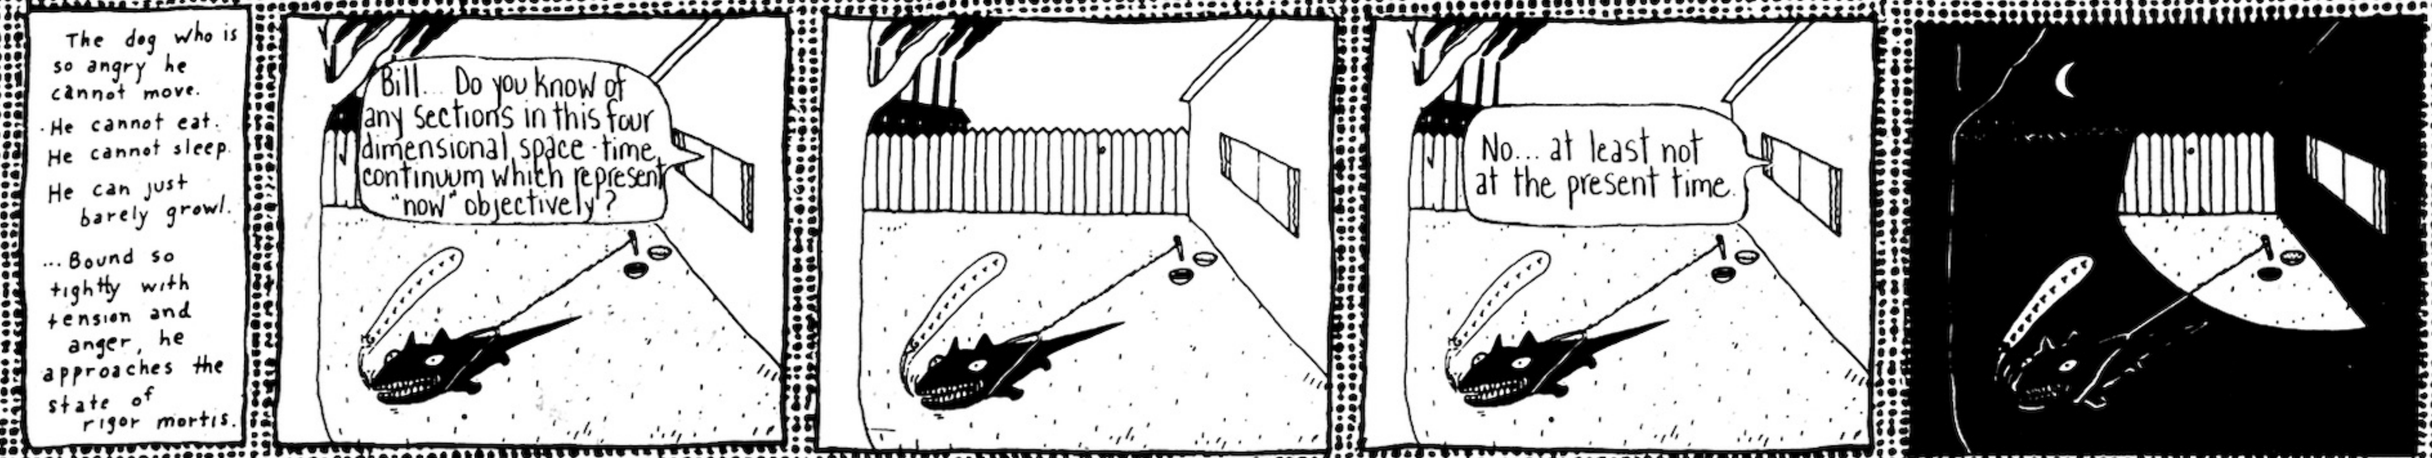
Bill... Do you know of any sections in this four dimensional space-time continuum which represent "now" objectively?
No... at least not at the present time.

THE ANGRIEST DOG IN THE WORLD

By DAVID LYNCH © 1992



The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep.
He can just barely growl.
... Bound so tightly with tension and anger, he approaches the state of rigor mortis.
People are dying living here.



The dog who is so angry he cannot move.
He cannot eat.
He cannot sleep.
He can just barely growl.
... Bound so tightly with tension and anger, he approaches the state of rigor mortis.
Bill... Do you know of any sections in this four dimensional space-time continuum which represent "now" objectively?
No... at least not at the present time.
